

SEMANA GRANDE · DONOSTIA - SAN SEBASTIÁN

# Dinner & Fireworks

A private evening aboard the sailing yacht Spirit, beneath the 61st International Fireworks Competition, gently afloat on the waters of La Concha Bay.

8 - 15 AUGUST 2026

“Awaken your senses, treasure the moment”

While thousands gather along the promenade,  
your guests live it from the sea.

Every night of Semana Grande, the sky over Donostia comes alive. Since 1964, the International Fireworks Competition has brought the world's finest pyrotechnics companies together over La Concha Bay: fifteen minutes in which light, music and colour merge into one of Europe's most beautiful spectacles.

There are many ways to watch it. Only one makes it intimate. Aboard Spirit, your guests sail at sunset, dine on the water and, as night falls, take in the fireworks from the very place they reflect: the bay itself. No crowds, no rush. Just the sea, the light and you.

A fully private experience, designed for couples, families, groups of friends and guests who wish to experience Donostia from its most exclusive vantage point.

The sky blazes over La Concha,  
and the water returns it to your feet.
